Sonya

Gash Gorging Gal

34417

It's amazing that a piece of ass as hot as Sonya would even have to resort to sex toys as a means of getting off, but let's see it from her angle: If you had the tits, ass and pussy that she had, would you be able to keep your hands off? To be honest, we'd have to have something inside Sonya at least once every few minutes so we can hardly blame her. A quick stuff of her dildo along her glazed cunt lips followed by the most wonderful plunge into pink darkness is all the proof we need that happiness, and orgasms, can be had and shared by all. 🍆

BODY TO BODY

ON THE SET

The thought of warm oil being rubbed into your skin by capable and experienced hands to help relieve aches, pains, and stress is an incredible turn-on. This feeling intensifies if the person granting you this sinfully healing relief is sexy, good looking, and has the Midas touch. Never, in any other facet of life, other than a personal relationship, is it appropriate to lie down naked with another as they caress the curves of your body, warming you up from the inside out. Even more enticing is if the invigorating massage happens to be a Nuru style massage, which is an ancient Japanese therapy that literally translates to slippery. Comprised of warm oil and plenty of erotic skin on skin contact, this type of healing massage truly goes where other massages can only dare.

34381

Ready to expose this ancient eastern tradition, director Mike Quasar has created *Body to Body*, a slick production that delivers insatiable rubdowns and a series of very happy endings as experienced through four, fully charged scenarios. Thankfully, we've been granted an exclusive one-day membership into this primeval press session that specializes in taking things to the next level. So loyal readers, the question begs, are you ready to rub one out? Yeah, we thought so.

The raunchy reflexology begins with Nadia Styles walking onto her scene wearing a white bikini that exposes every one of her luscious peaks and valleys. Pinning her amber-colored hair on top of her head, we can all tell that things are about to get very messy. Soon, Nadia is dousing her gorgeous breasts with warm oil, seemingly getting every inch of her body prepared for use as the massaging mechanism in Mark Wood's day of relaxation. Once she's lubed up from top to bottom, she straddles his body from up above and begins rubbing his back, bum, and legs with her tits, ass, and pussy!

The moment Mark flips over and gets one look at Nadia's glistening physique, his cock hardens on the spot and rises up to meet her lips. Taking matters into her own hands, literally, Nadia grabs his stick in her slippery hands and begins gently jerking him off. In time, she adds more pleasant pressure and the expertise of her hot mouth. With his hands sinking into the crown

of her head, Mark forces his meat even further down her neck, until his entire package disappears. After a few moments, Mark releases his grip and allows Nadia to come up and grace her hungry lungs with breath.

While Nadia's already crouched over in a sexy downward dog arrangement, Mark scurries behind her and impales her fat pussy with his cock. With spongy labia lips that billow around his hotdog like a bun, Nadia ensures that Mark enjoys a snug-tight fit. Sloshing in and out of her sloppy hole, as the luxurious oil provides an even slicker ride, Mark doesn't go easy on this Latina bombshell. Instead, he lays into her, eventually flipping her onto her back so that he may continue excavating her hole in missionary position. Up for the task, Nadia pries her narrow legs open at the ankles and excites when watching his cock dredge in and out!

Next, in a candle lit room, we see Jennifer Dark sauntering into view wearing a hot pink bikini that exposes the sharpness of her nipples and the tautness of her stomach. Commanding space in a nearby chair, Jennifer spreads her legs out and pulls the triangle material away from her breasts so that they come spilling out onto her chest like overinflated water balloons. Once she has our full attention, she grabs oil from a wooden bucket and begins dousing her body with the slick liquid. With piercing eye contact and a body that is now gleaming with grease, Jennifer makes her way over to Anthony Rosano, the object of her affection.

Straddling his body as if sitting on a saddle, Jennifer makes full uses of her curves and his. Enticing Anthony's skin with her oiled up tidbits, Jennifer works her Nuru magic all over the length of Anthony's warm body. "It's your job to relax," she mouths in a fabulous European accent that makes her seem even more exotic and mysterious than before.

Soon, Anthony is encouraged to flip over onto his back. Once in position, Jennifer continues with her unconventional form of massage therapy by massaging his shaft with her pussy. Gliding back and forth against her pink, spongy parts, we can see Anthony's cock beginning to grow and glow.

There against the gray blowup mattress, Jennifer works her way down his body, ending at his fat cock. With a wide-open mouth, Jennifer attacks, practically having to come unhinged at the jaw line to fit the entirety of his cock and balls into her mouth. Delivering the best blowjob of the bunch, it's an absolute privilege watching this orgasmic oralist in action. Reaping the full benefits of her sexual talents, Anthony looks up to the ceiling in

ON THE SET

a form of praise, thanking his lucky stars and trying his best not to come right then and there. But, alas, this man is a pro. He has plenty of hardcore treats, including reverse cowgirl, spoon, and doggie waiting for this trick!

Meanwhile, Kendall Karson, who is easily one of the prettiest massage therapists here today, is on full display. Looking phenomenal with a new pair of tits that are twice as big as the set that came before, we've never seen Ms. Karson look hotter.

Looking dynamite in a pair of leopard panties, with a slicked back ponytail, Kendall is clearly ready for some rough and tumble action.

Just as the rub-a-dub sluts that came before, Kendall saturates her statuesque frame with scads of warm oil before turning her attention over to Tommy Pistol. Beginning on their feet, the two share in a lover's embrace that is already full of palpable passion before she leads him to the blowup mattress.

Lying atop his body like a silk blanket, Kendall ensures that there isn't a speck of space between her body and her man's. Stacked together like a glistening pair of pancakes, these two are fused into one sexy mass. Once the initial connection has been made, Kendall begins writhing her svelte body up and down, using the firmness of her enhanced breasts as tools for kneading and relaxing his tired muscles. Her plan is working like a charm, as evidenced by the sudden rise of Tommy's body, due to his growing cock underneath him.

Contorting into the sixty-nine position, these two maintain their close connectivity, although their initial body arrangement has

been redesigned. Both happily engorging in the private parts of one another, we get an all-encompassing look at the slurping in action. With pussy-saturated lips, Tommy smacks and swirls her girl gloss around his mouth, pulling his head back to show off her slit stringers to the camera. In turn, she stabs his cock into the side of her cheek, creating a jawbreaker effect that is as sweet as can be. Also making it a point to sample her sweet asshole, it's awesome watching Tommy's enthusiasm and Kendall's undeniable pleasure.

Once the polishing concludes, Kendall takes a seat on his lap in reverse cowgirl position, exposing her perfect tits to Quasar's lens. Bouncing up and down his cock like a field rabbit, Kendall happily fills her pussy with plenty of pole. Finding it a bit impossible to hold onto her hips due to the copious amounts of mineral oil, Tommy tries his absolute best to help Kendall ride his cock from top to bottom. The reward for her diligent work is the pleasure of one orgasmic rush after another.

Dakota James, a nubile blonde with a petite body and perky tits is the best way to end the show in style. Looking quite naughty in a purple bikini, Dakota is sexily paired with John Strong, a man several years her senior, helping to add some spice to this May/December romance.

Eager to show that she is every bit as womanly as her predecessors; Dakota is ready to show the world exactly what she is made of. Scooping up scads of warm oil in her hands, Dakota sexily allows the slick liquid to trail down the curve of her breasts and naval. Glistening against her silver nipple studs, Dakota's perfect breasts have taken on a new life as they glow against the movie lights.

Obviously enamored by her youth and sexy naïveté, John takes it upon himself to experience her goodies from top to bottom. He begins his mission by impaling the wet spot between her legs for a snug-tight fuck session. Hitting her just right, Dakota's clit swells to the size of a grape and her chest reddens as John brings her to orgasm. With the sweet sound of Dakota's moans piercing the room, the crewmembers, including Quasar, go wild! "That is so damn hot," Quasar charges, urging John to transition into another hardcore position.

With a solid understanding of Dakota's hot spots, John fucks her at will; making her cum in each arrangement he contorts her into. As his blonde plaything exhausts her final bits of energy, John unloads his power pellets into her open mouth.

Wrapping the day with a smile on his face, Quasar thanks the cast and crew and happily walks off set. Leaving us all in a state of lustful longing, we all rush to our cars in a heated attempt at locating a 24-hour massage parlor, A.S.A.P. With "happy endings" as sweet as these, can you blame us for wanting a little Body to Body contact of our very own? 🍷

INTERVIEW WITH A **PORN STAR**

CHERIE

DELUXE DICK SUCKER!

POLE RIDING, PUSSY
SLURPING PORN BABE
GIVES YOU THE LOWDOWN
ON LESBIANISM,
COMMUNICATING WITH
YOUR FUCK BUDDY, AND
WAY MORE!

Interview by Emma Edwards

We understand that you're just getting back home from a shoot with Kink.com. Do you shoot BDSM material often?

I shoot with them once or twice a month, so, yes, rather often. I love working for Kink. It's always a great time. On this particular shoot, I got to dabble with electricity play. I worked with Aiden Starr, who is an awesomely talented and sexy performer. We had an electrifying time together. (laughing)

Cherie, you are such a dichotomy. Outwardly, you look like a girl-next-door, collegiate type of woman, but inside you are a sexual deviant! Have you surprised your lovers with this unexpected dichotomy?

Yes, I have surprised a few! I should have a resume that I pass out beforehand. My look is very wholesome and I do tend to dress more conservatively. That just happens to be the type of presentation and clothing style that I prefer. Compared to most people, I do tend to enjoy the more unusual aspects of sex.

So you're the proverbial she-wolf in sheep's clothing?

Absolutely! People have no idea just what they are getting themselves into.

Please describe the "unusual aspects" of sex that you enjoy.

I enjoy being verbally dominated. I find that to be incredibly sexy. Obviously, no one wants to be injured during sex, but I do enjoy the dom/sub dichotomy. As a sub, which is my preference, I enjoy being completely dominated. In my normal life, I have so many responsibilities. I have to be in control, maintain balance and have structure in my life. It's relaxing to have a day where you are not in control of anything. You go with the flow and allow someone else to take the lead. It's very freeing and gratifying in a very psychological, as well as physical way.

Some believe that BDSM is equal parts psychological and physical. Would you agree?

I feel that BDSM is even more psychological than it is physical. If someone is just sitting there, hitting me with a flail, it is going to do absolutely nothing to me. The dom needs to be verbal and assertive with me. That's the way to get me into the scene and into that particular frame of mind.

Once the verbal aspects about BDSM come into play, I wonder what it is that turns on in your brain.

I'm not sure. The first time I ever did any type of play like that was on camera. I thought I'd be open-minded and give it a try. If I didn't like it, I wouldn't ever dabble with it again. It turned out that not only did I like it, but I really liked it. It woke me up.

How did you find your way into that style of sex? Most of us had "regular" sex in the back of cars as teens and young adults. The sex that we all start out with is miles away from BDSM expression.

Exactly! For the most part, even in the beginning of my porn career, sex was more traditional. Boy/girl or girl/girl, it was all very emotionally and physically traditional. BDSM is just an elevated type of sex that some people will evolve into. It's not for everyone, but it is for me.

Since you are an obvious fan of BDSM sex, do you enjoy traditional sex as well?

BDSM is emotionally and physically exhausting, so yes, I do enjoy other forms of sex too. I wouldn't be able to handle nothing but BDSM on a daily basis. It's exhausting. It's awesome and cathartic, but I couldn't go through that everyday. Some days, I just want to have regular sex and have great orgasms with a partner. There's a place in my life for all types of sex.

How can people enjoy alternative styles of sex?

I think more people would like varied sexual experience if they could get themselves to a place where they were open to it. Some people may think it's dirty or that only a certain type of person has alternative styles of sex. There are also emotional and cultural things that keep us from trying new sexual experiences and branching out. Some people may also have concerns about being judged for liking what they like or for revealing secret fantasies or fetishes.

There is even a stigma concerning same-sex sexual experiences as well.

A lot of people have strong religious beliefs about same sex experiences. Many people truly feel that homosexual people are going to hell. Some may feel that being homosexual, whether lesbian or gay, may, in a way, be damning yourself to eternal horribleness. If that was your belief, you would never feel free to try out your same-sex fantasies in reality.

Describe your first lesbian experience.

I was actually quite young. We used to play house together and would bring each other to orgasm. For the first few years of doing this, we would say, "I'm the boyfriend and you're the girlfriend... or husband/wife." That was all we knew of sex. Sex had to be between a man and a woman. Once we got older, we started learning about lesbians through television and pop culture. At that point, we stopped playing with each other sexually.

At what age did you first have sex with a boy?

I was 18. Perfect timing!

What type of woman turns you on?

I'm drawn to a woman that is very feminine, soft, gentle, and girly. On the flip side, I prefer my men to be rugged and masculine. I don't want a feminine man or a masculine woman. I love the difference. I want my partner to be the epitome of femininity or masculinity.

Porn serves so many valuable purposes. For one, porn helps people spice up their love lives and refrains from the boredom of having monotonous sex. Would you agree?

This is true. Not everyone is super creative and that's fine. It takes all sorts of different people to make the world awesome. People desire variety and watching a porn may help achieve that by showcasing new positions, the use of toys, or role playing.

Did you ever come across pornography in that turned you on or got you interested in smut?

Yes, I found a magazine that a friend of mine had under his bed. It was so vanilla when I think about it now. It had two women looking like they were going to kiss. It was the first image I had ever seen depicting the type of thing I liked to do. I was thrilled to find people that were just like me. I was so confused about my sexuality, at that point. I also saw a porn where two girls had a food fight in a kitchen and then had sex. I was thrilled beyond belief to see that too. It was so wonderful for me. I thought to myself, "I'm not a freak. I'm not weird. Other people are doing this too."

As a sex professional, could you offer our readers some advice for spicing up their love life?

There are so many ways of spicing up a sexual relationship, although the main word of advice would be to maintain an open and honest dialogue with your partner. You should have a comfort level in your relationship that allows you to reveal your fantasies and desires without ridicule or judgment. Revealing your inner most desires can be a very vulnerable revelation that must be treated respectfully, whether you are comfortable with their particular desire or not. Doing that, at times, can be harder than it sounds. Open communication is a must.

So, we are guessing that the people who are not comfortable confiding their fantasies to their partners are the ones that patronize your movies, website, and live shows?

Absolutely! It's partially the reason why porn is a multi-billion dollar industry. There are some online fans that will pay outrageous amounts of money just to view the folds of my feet because their partner won't comply. In fact, many of my fans are married and have, what I consider, very vanilla fantasies. My advice is to take baby steps and try things out. Be vocal. Be honest. Communicate with your partner. Everybody has a fantasy and a secret world that they would love to explore with a trusting partner. Go for it!

In fact, some women may not even know what their own vagina looks like.

That is so true! Some people are total strangers to themselves. Get a mirror and have a look. You're beautiful.

Do you feel that porn has a broader spectrum of beauty than the mainstream world?

The industry comes in all different shapes and sizes. That's the absolute beauty of it. There are big boobs, little boobs, saggy boobs, blondes, brunettes, cellulite, big asses, narrow asses, tall chicks, short chicks, fat chicks, young chicks, and old chicks. You name it, the porn world embraces it. It's all encompassing and it's all wonderful. The mainstream media casts a much smaller box of what's considered beautiful that people try to fit into. Porn is much more female positive. Remember, there is no Photoshop on film. We are authentic, fully exposed, and out there.

Do you dress up at home?

I love dressing up at home. I enjoy wearing '40s and '50s style clothing. I love wearing pin-up girl outfits and swing dancing. I am so girly. I'll rock a pencil skirt and a sexy cat eye anytime. Femininity is a lost art in modern times. I love for women to be women and look classic. At some Los Angeles clubs, I feel more feminine and attractive in my ladylike clothing that shows off my waistline than the girls who are dressed so promiscuously. Somehow being as naked as possible in public has become apart of the modern club culture. I'm going to absolutely stand out from the pack for an entirely different set of reasons. And, the whole naked look is not flattering on every body.

Do you feel that the mainstream world borrows from the adult world?

Absolutely! Whatever the porno look is for that particular time will undoubtedly trickle down into pop culture. For example, back in the day, when there were some issues with certain STDs, people started shaving their pubic hair for health reasons. Then, the mainstream world took notice and followed suit. Now, that that isn't so much of an issue anymore, bush is back. It's back in mainstream too. It all trickles down, even to the clothing shops in the mall. The mainstream world even copies porn star makeup applications too- smoky eyes, fake eyelashes, pouty lips.

You just celebrated your birthday! Did you have fun?

Yes! I went to the beach for the first time. Whenever I came to Los Angeles before moving here, I was busy working and never had any free time. I would sleep and work and sleep and work. Now, I'm limiting my work time and am playing tourist, going out with friends, and experiencing what this great city is all about. My birthday was a great time. And my workload is only getting better and better. In fact, I've only just begun! 🍷

THE FUCK-IT LIST!

HOPES AND DREAMS OF COCKS AND CREAM!

THE ULTIMATE PORN STAR WISH LIST!

They've been through it all: oral, anal, double penetrations; but they still have hopes and dreams of more hard rods and goey jizz! Although we've seen our favorite starlets in a myriad of hot productions— from heart pounding gonzo to award-winning features, from apocalyptic thrillers to top-notch parodies, and from romantic rendezvous to wall-to-wall sexual scenarios, have you ever wondered what type of sex your favorite porn stars would enjoy performing in best?

Through candid interviews, naughty fantasies and delicious anecdotes selected from our CHERI reporters, we present you with a collection of sexually explicit excerpts, straight from the mouths (and other holes) of your favorite porn stars, that are sure to tempt, tease and tickle your senses. In the spirit of fantasy fucking, let these dirty debutants transport you into a whimsical world where passion, love and lust may only be a production away!

Bibi Jones

"Without a doubt, I'd love the opportunity to tangle with Rocco Siffredi. I want him so badly that it hurts. It has to happen. Rocco is my dream guy. I hear that there is hardcore, there's super hardcore, and then there's Rocco Siffredi! I know I could take it. I'd be so damn excited for the opportunity to try. Rocco is the ultimate. As far as girls go, I'd love to work with Lily Carter. She's young, fresh, all-natural, and very beautiful. I've never met her and never talked with her, but there's something about her sex scenes that drive me wild."

Brooklyn Lee

"I think when I had my bright red hair that I would have made a terrific mermaid. I'd dye my hair red if someone would offer me that role. Although, I think spoofing one of those movies might be over the line. What do you think?"

Selena Rose

"Brad Pitt, Bradley Cooper, Vin Diesel, Jesse Jane, Carmen Electra, and Manuel Ferrara. It would take place on an island, where horses ran wild in the background, and the girls wore flowers in their hair. We would all take part in a wild orgy on the beach that would last for hours. How does that sound?"

Tasha Reign

"I would prefer to do more features and take on bigger projects. Gonzo sex is fun, but I feel like I'm ready to take on more involved, feature intensive roles. It's a bigger time commitment but I know I would enjoy becoming other characters. I also feel like more effort and dedication goes into features, so that becomes more of an attractive point to me. Since I have a minor in theater from UCLA, I think I'm quite proficient in acting. I would certainly love the opportunity to try."

Chanel Preston

"I'm best at playing the seductive roles. I love being the sexy executive or the strict teacher. I'm more of an aggressor and have problems playing naive. I'd love to be the sexy principal at a prep school- 'Bend over. Hands on your ankles.' I would cast quirky actors that play in Quentin Tarantino movies. Uma Thurman and Rose McGowan would be good examples. I love aggressive women who take charge and exude a tiny bit of danger. Rose is perfect for that. She's super sexy. And, I really love her light skin and dark hair."

32267

Jana Jordan

"I love rough sex and enjoy having my hair pulled. I am turned on by male domination. But, the domination has to be performed by a certain type of guy. Some guys can't handle that role and end up looking more ridiculous than sexy. With those types of guys it's like, 'What the hell are you doing? Get off of me.' I love that hot feeling of not knowing what depths he'll push me to next."

Dani Jensen

"I love mixing it up, so a scene with light bondage would be great. At home, I love being dirty and getting my asshole fucked. I also love lots of dirty talk and rough play. I want to hear that I am a 'dirty little slut' because I am a dirty little slut. Now, if I were to play in a porn parody, I think I would make a great Pebbles. I need me some Bam-Bam!"

Riley Steele

"I'd love to fuck Jules Jordan. He's super hot and seems as though he'd be incredible in the sack. I'd also like to add Nikki Benz to that list. That girl is sexy as hell. I think I may have to put in my request to fuck her. Nikki Benz, I want you!"

30822

Asphyxia Noir

"I enjoy turning into a character and acting and fucking the way I would imagine the character would. I get really into the sexual freedom that those characters provide. I enjoy exposing alternate sides of my personality and sexuality. Other days, the porno I'm involved in is more classic in nature, i.e. pizza delivery guy bangs the girl. Actually, all of it is fun."

Destiny Dixon

"I would love to work with Tori Black. She has an amazing body and these great eyes that let you know you are about to be eaten alive. Yeah, Tori's hot. I'd also like to work with Alektra Blue and Kayden Kross. I'll have to ask the powers that be to hook me up."

Kendall Karson

"I've performed in some feature movies but I'd really love the opportunity to play a role in a parody. Porn parodies are so much fun. Any parody role that involves more acting, long hours and being on set with everybody would be a cool experience for me."

Nikki Delano

"Thankfully, I've worked with all the guys I've ever wanted to work with. As far as the women are concerned, I'd love to work with Skin Diamond. She has an electric personality and is freaky. I'd love to tangle with her. Really, I love a rainbow of flavors and I don't discriminate. It's more of a chemistry thing with me."

30492

Aiden Starr

"My favorite sexual scenario is Fem-Dom. I love dominating people, and it doesn't matter if it is a male bottom or a female bottom. I enjoy the play and having another person surrender themselves to me. I enjoy being in charge when fucking. I like to use people for what they are good for. Some are good at taking a licking, or licking a pussy, or getting fucked in the ass, or good at being in really hardcore action, or good at taking verbal instructions. Since I work with so many people, I tend to extract what they are good for and use that to my advantage."

Kirsten Price

"I enjoy the challenge of all types of roles. For some reason, I'm always cast in the 'bitchy', 'tomboy', or 'tough girl' roles. I'm not sure why that is, although I've been told I do a good job as those characters. I definitely don't want to play a mom yet, because I'm not quite there. Ideally, I would like the opportunity to play a really crazy role in a psychological thriller of sorts. I've played crazy roles before but now I'm ready to go over-the-top with it. It's also great to perform in romantic comedies, which is something I do most often with director Jonathan Morgan. My latest movie with him is, Until There Was You. I'm a goofball by nature, so it's fun to express that side of my personality. Dressing up in scrubs and pretending like I'm gonna give Rocco Reed a rectal examination is hilarious to me!"

Taylor Vixen

"Anything I've ever shot for Girlfriends Films would be a good place to start. I absolutely love working for that company. They shoot realistic lesbian sex and prefer the natural look in their movies. That is totally my style. Shooting with Holly Randall is also great. She always makes me look so glamorous. She's truly gifted at what she does."

Christie Stevens

"I'd love to fuck Britney Spears and Charlie Sheen, although not together. That might be too much crazy for one encounter. With Charlie, I want to see what all the hype is about. I hear he has a big dick, but I don't believe it. I need to see it. Besides, I'd want Britney all to myself."

28705

Danica Dillon

"I enjoy playing older, twenty-something type roles. I'm usually cast in young girl roles, which is fine, but I would like to star in the more sexually aggressive roles. It would be fun to be cast in more glamorous types of roles as well, instead of always being the teenager or kinky step-daughter."

33046

Katie St. Ives

"Since I am a very colorful person, I would create something fun with bunnies and rainbows. Perhaps I'd create a gothic looking Candy Land; colorful, but sexually dark and extreme. I'd definitely cast Lexi Belle in my production because she'd be the ultimate Candy Land girl. She has such a bright personality, although she can be sexually dark and creepy. It works for her. I'd also want munchkins in my movie. That would be hot. Just think of it, they are already the perfect height for oral sex!"

Trinity St. Clair

"I would love to be a domme. I have a very dominant personality and would love to dominate the shit out of a boy and a girl. I want to control the scene. I would love to do a cuckold with a woman. I want to dominate people with my personality and my sexuality. That would be so fun! Don't let my size fool you."

"I don't enjoy acting like I don't know what I am doing in my scenes. I did a movie a few weeks ago called Freshman Anal Orientation 2. I was like, 'Are you serious? Really?' Surprisingly, the fans love it. They love watching poor little Trinity getting fucked up the ass. They want me to say, 'Oh no, I have a penis in my butt. What am I going to do?' I play along with the fantasy. It's all in good fun."

Jenna Presley

"Jenna Jameson paired with Briana Banks. I'd also cast Kirsten Price to do an interracial anal scene with Lex (Steele). And, of course, Nick Manning fucking me. I actually have thought about that question before. That movie would kick ass!"

Bailey Blue

"It's not even so much about the scenario as it is the chemistry that I have with my co-stars. Of course, a sexy outfit and great makeup help make any girl feel sexy, but ultimately, it's the performer that pushes me over the edge."

Britney Young

"I love it when I'm allowed to look glamorous. Usually, in my movies, I have on really minimal makeup. They won't put fake eyelashes on me or allow me to wear dark eye shadow. Most of the time, I'm in pigtails. But, for me, I love looking glamorous."

Dani Daniels

"I feel the sexiest in a natural environment. The more staged a production is, the harder it is for me to get into the mood. Girlfriends Films and Elegant Angel are great companies to work with because they are more natural and their movies focus on real sex. I do my best work when I'm allowed to be myself. I'm a natural girl and hate wearing makeup. My least favorite part of any porn day is sitting down in the makeup chair to get my hair and makeup done. Some girls love it, I don't. My favorite days are when I get to show up in a ponytail and natural makeup. I'd love to rock sweat pants and a ponytail."

Nikki Benz

"I would love to do a female superhero movie, starring Jenna Jameson, Jesse Jane, myself, Stormy (Daniels), and Tera Patrick. We would make up our own names and come up with our own costumes. That would be the best porno the world has ever known. The five of us would be a blockbuster! Maybe I could hip-hop on people's asses if they did something wrong." [laughs]

Bonnie Rotten

"I would love to be in a three-way with Asa Akira and Manuel Ferrara. I'd fasten a strap-on cock around her waist and let her destroy me. I would love for them to DP me together. That would be an expensive and explosive scene."

Krissy Lynn

"I really enjoy playing dramatic characters where I get to use a lot of dialogue. Dialogue and acting are some of my strongest suits. Every opportunity I get to act, I jump on it. I am in Gonzos often, so it would be fun to take part in more features. Really, I think I'm very good at acting and would love to be given more opportunities to prove that. If my director told me to cry, scream, act scared, or be emotional; I could do this on cue and take my role seriously. Many other actors laugh and giggle on set when their role demands for them to show raw emotion, other than sexy emotion, because they feel uncomfortable. I want to play a serious role and really get into it."

AMERICAN HUSTLE XXX PORN PARODY ⚡⚡⚡⚡⚡

(Smash Pictures) Starring: Aaliyah Love, Penny Pax, Carter Cruise, Luna Starr, Rio Lee

Entangled in an FBI investigation, Tommy Gunn and Penny Pax, two conniving con artists and lovers, must participate in an ill-conceived sting operation or else face federal prison. This is the central premise created in Will Ryder's epic parody project that is choke full of erotic imposters, threatening temptresses, and plenty of 70's style panache. Stepping inside a world of crime, espionage, and loads of hardcore sex, expect to be wildly entertained!

After being introduced to the central cast of characters, we find Tommy Gunn and Penny Pax swindling money from Eric John, an unsuspecting victim/investor. After achieving "Gold Member" status, Eric is given Luna Starr as his consolation prize. Literally

fucking her from top to bottom, Eric gets his money's worth.

Now, while the sting operation is well underway, Van Wylde, the mayor, offers up his wife, Carter Cruise, to the sheik, Kurt Lockwood. Entangled in a gritty three-way extravaganza, the men make mince meat of Carter's pussy, doing their part to keep up with foreign relations.

Afterwards, we find Rio Lee, the mafia leader, having a "private meeting" with Tommy Gunn. Spreading her open, Tommy orally excavates her wet hole before spinning her around to test out her vaginal springs in standing doggie. Wow!

Aaliyah Love also has a go with mafia member Tommy Pistol, concluding this feature with a surprise ending that is pure genius.

THAT ASS IN YOGA PANTS ⚡⚡⚡⚡

(Zero Tolerance) Rilynn Rae, Ash Hollywood, Abby Cross, Chloe Amour, Belle Noire, Mark Wood, Anthony Rosano, John Strong, Jessy Jones

For most people there is something quite spellbinding about a hot girl wearing a sexy pair of yoga pants. It is precisely these snug-fit pants and the kinky formations that ladies contort into whilst wearing them that director Mike Quasar celebrates in his latest, all-sex offering. Filled with exceptional hotties, expect to get your fill of flexible fillies that are down to fuck!

Carved out like a juicy piece of fillet mignon, Ash Hollywood is ready to be marinated in the first scene. John Strong answers her call of booty by affixing his mouth against her bare pussy and asshole. After several minutes of oral excavation ensue, John replaces his tongue with a meatier muscle.

Next, climbing atop a fuzzy bed, we find Chloe Amour

shaking her ass for Jessy Jones. After plugging her asshole with his tongue, Jessy exercises her puffy pussy from the inside out, causing this Latina whore to moan.

Afterwards, Rilynn Rae contorts herself into enticing arrangements on her yoga mat, demonstrating her flexibility to Mark Wood. Ready for a hands-on demonstration, Mark pounds her pussy to a pulp, creating plenty of audible action in the process.

Abby Cross also contorts into some edible arrangements when stretching out for Anthony Rosano, but not as skillfully as Belle Noire who really takes her workout to the next level when demonstrating perfect downward dog formation. Namaste!

HOLLYWOOD BABYLON ⚡⚡⚡⚡

(Dana Vespoli/Evil Angel) Sovereign Syre, Dana DeArmond, Valentina Nappi

This featured attraction is a collaborative effort between Dana Vespoli and Sovereign Syre that chronicles Sovereign's plight from Ohio to Hollywood, in an effort to become a star. With an intelligent script, explosive sex scenes, and sexy detective work, this murder mystery is anything but ordinary.

The movie opens with a flashback sequence that has Sovereign recounting an audition she had with James Deen to the inquisitive detective. This leads to an incredible sex scene, her first on camera, which has her juggling James's balls in her mouth and stuffing her pussy full. Indeed, it's a fantastic showing!

Wanting to enhance her looks to ensure success, Sovereign gets plastic surgery from Steven St. Croix, a prominent

physician, and eventually recovers in his house. Unable to control himself around his sexy creation, Steven seduces Sovereign, treating her to a power plug in plenty of pussy pounding positions.

Sovereign later mixes with Ryan Driller, a red-hot celebrity. Although their romp is absolutely scorching, it's Sovereign's entanglement with Valentina Nappi and Ramon Nomar that really showcases her insatiable, voracious sexual acumen and ever rising star power.

In the end, an all out orgy takes on a life of its own when Dana DeArmond and Sovereign give Steven St. Croix and James Deen a run for their money. All of this leads to a gruesome, surprise ending that we never saw coming!

WOMEN SEEKING WOMEN 104 ⚡⚡⚡

(Girlfriends Films) Starring: Sophia Bella, Nicole Moore, Chastity Lynn, Amber Chase, Prinzess, Heather Starlet, Shyla Jennings, Alice March

Offering the most realistic lesbian sex, the 104th installment to this heavily awarded franchise continues delivering the quality of lesbian porn that we have come to expect. With a varied mix of older women and younger girls, there is lady here to tickle every fancy.

The movie opens with Amber Chase berating Chastity Lynn about having sexual relations with vendors. In an effort to save her job, Chastity helps Amber surrender to her sexual advances. With loads of kissing, great eye contact, and plenty of realistic sexual positions, the girls perfectly demonstrate how real girls fuck behind closed doors.

In the next instance, Heather Starlet comforts Shyla Jennings' panic attack by softly caressing her body. This

makes way from some deep French kissing and dry humping. Once the panties drop, expect loads of experienced pussy munching action!

Next, while looking at sex toys, Nicole Moore gets touchy feely with Sophia Bella. Soon, both sets of breasts are out and tongues are going wild. From here, the girls take turns servicing each other's slits to perfection, as each charged body shakes and quivers.

Finally, we find Alice March discussing her distain for sloppy kissers with Prinzess. Eager to demonstrate the correct procedure, Prinzess dazzles her darling with a wet one. Soon, these young ladies are intertwined in a lover's embrace that saturates the bed sheets with their pussy juices. Hot!

Cunny Conundrum

Some girls like to play innocent. Some girls like to be sluts. Conny wants you to pick which category she belongs to. Is she too nervous to go out to the clubs and meet the right man so he can give her the dick? Or, is she such an orgasm junkie that all she can do is stay at home and slam her cunny again and again until she's gushing sweet girl goo? You be the judge. 🍆

Aaliyah Love knows how to get dick meat off eight ways 'til Sunday, so when her boyfriend asked for some foot play, she was instantly aroused. Aaliyah's 10 dutifully licked toesies wrapped around his pole and got him all worked up. With a quick lap of her labe, his schwantz entered her cunthole and jackhammered away. When it was time to cum, even though she wanted a nice deep creampie, he jacked it on her feet and gave her a gooey pedicure. How sweet! 🍷

Bibi Jones

"Without a doubt, I'd love the opportunity to tangle with Rocco Siffredi. I want him so badly that it hurts. It has to happen. Rocco is my dream guy. I hear that there is hardcore, there's super hardcore, and then there's Rocco Siffredi! I know I could take it. I'd be so damn excited for the opportunity to try. Rocco is the ultimate. As far as girls go, I'd love to work with Lily Carter. She's young, fresh, all-natural, and very beautiful. I've never met her and never talked with her, but there's something about her sex scenes that drive me wild."

Brooklyn Lee

"I think when I had my bright red hair that I would have made a terrific mermaid. I'd dye my hair red if someone would offer me that role. Although, I think spoofing one of those movies might be over the line. What do you think?"

Selena Rose

"Brad Pitt, Bradley Cooper, Vin Diesel, Jesse Jane, Carmen Electra, and Manuel Ferrara. It would take place on an island, where horses ran wild in the background, and the girls wore flowers in their hair. We would all take part in a wild orgy on the beach that would last for hours. How does that sound?"
